Title: Translation of Vampiric

Author: Jexa Of ???

---

nan turikvashtuu
norakthev
in human it translates
into... let the way of
blood create a path to
destroy the virtues
interahno void
narathenteraihno
let the void itself open
into luna and destroy...
some uninteligable scribble
is here

nartuuvasunoo
garnarathoru
let the sun turn black
and let the daemon
kronus be risen and
destroy the light
thornuu ferenthyounoreth
let the first born
daughter of Lidérc and
Helena D'Ville be the key
to the void of shadows.
